PUBLIC NOTICE

OPEN HOUSE FINAL DESIGN DRAWINGS FOR AGATE BEACH WAYSIDE IMPROVEMENTS

When: Wednesday, March 11, 2015

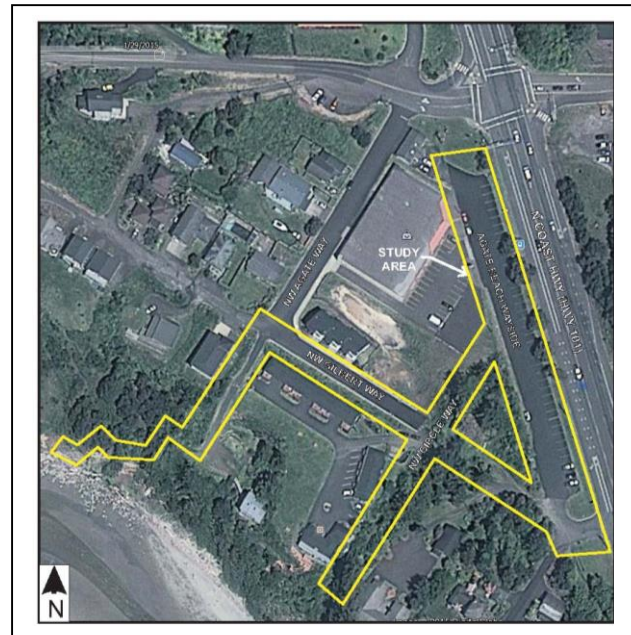

Where: Council Chambers, Newport City Hall
169 SW Coast Highway

Time: 6:00 pm

Please join us to learn about, or share your views on the final design drawings for planned improvements to the Agate Beach wayside and beach access. The work will include:

- Reconfiguration of the wayside to increase available parking and improve circulation
- Construction of a restroom/showers
- Extension of NW Gilbert Way to create secondary access to the area
- Sidewalk and trail improvements from the wayside to the beach to improve safety and pedestrian mobility

Staff with the City of Newport, the Oregon Department of Transportation and the consulting firm OTAK will be present to answer questions. The design drawings that are to be presented build upon public feedback provided at informational meetings held in November and December of 2014. The project is on schedule to be bid in July, with construction starting later this year.
